The event will take place from 12pm-5pm at **New World Brewery 1313 8th Ave, Ybor City, Tampa FL 33605** 813-248-4969. Enjoy some cheer and take home some gifts and good memories. Look for us!

Savor the True Meaning of the Season. Winter's cooler evenings and shorter days hint that it's time to slow down and take stock of all the abundance we have in our lives. It's time to give thanks for family and friends. True memories are made by the company we keep and the experiences we have. In the rush of holiday gatherings, remember to focus on the people who share their time with you and the rest will fall into place. Then later, take time to just breathe and enjoy the quiet of a winter night and your memories.
